Join Us for Our 14th Annual

Beardsley Architects + Engineers

Golf Tournament To Benefit:

Cayuga County Habitat for
Humanity

Friday, August 17, 2018

Dutch Hollow Country Club
Benson Road, Owasco, NY

Dear Friends,

On behalf of Beardsley Architects + Engineers and Cayuga County Habitat for Humanity, we are please to announce the 14th annual golf tournament. Our tournament benefits Cayuga County Habitat for Humanity, a non-profit organization whose mission is to bring people together to build homes, communities and hope.

Over the years of this tournament we have supported our own Beardsley family and other local organizations. The past 3 years have been dedicated to supporting our local Habitat organization. We raised over \$4,000 last year and hope this year's tournament will be even bigger and better. We sincerely thank everyone who has continued to help support our event.

Our goal is always to raise more than the prior year. We will need your help and support to accomplish our goal. Please use the attached form to sign up for golf, participate as a sponsor, or to make a donation. Please join us for what we feel will be another great day of golf, food, and fun!

Sincerely,

Beardsley Architects + Engineers
