

WOMEN BUILD 2019

Partner with our new Homeowner on Saturday, May 18 at 108 Standart Ave!

No construction experience needed. Group leaders will guide you on-site! Wall building, caulking, painting inside & out, landscaping, and various small construction projects need doing to make this home move-in ready!

All volunteers are invited to an on-site lunch sponsored by local restaurants and businesses. We supply all tools and safety equipment. Meet Lauren, our current partner family mom, who will be the proud owner of this home.

Be ready for fun competitions and door prizes donated by local women-owned businesses! Parking TBA.
